## MECH 457/9 Teams 2009 - 2010

## File DRAFT 9/15/09. Any further updates made to the project teams will be announced.

## Notes:

For students in a team labeled "AH", Tony Hodgson will create APSC 496 or MECH 457/9 projects, to be done by Wednesday Sept. 16.

All teams supervised by Pat Cramond will have a meeting in RH102 on Thursday at 2PM with Pat Cramond. Be sure to use the other mtg times to kick off your projects.

All rooms in WOOD, FNH and CEME1206 are reserved for the first 2 weeks only. If it is desirable to keep these or arrange for other meeting rooms for the rest of the term, please let me know. [RH118 will become available in October.] Otherwise, I will assume you have found alternate meeting places/times.
